Long Leash On Life To the Rescue!™
Massive Yard Sale & Pet Adoption Event to Benefit Local Pet Rescue Groups
PHENOMENAL SUCCESS RAISING \$30K FOR LOCAL RESCUE ORGANIZATIONS

The 4th Annual **Long Leash On Life To the Rescue!** held at Long Leash On Life Sunday, May 18, 2014 rallied the compassion of the local pet loving community to donate yard sale items/funds, purchase yard sale items, adopt rescue dogs, and celebrate Long Leash On Life's eight-year anniversary; all in the name of local pet rescue. The yard sale, raffle and donations tallied **\$20,000**, with Long Leash On Life matching another **\$10,000** to reach an inspiring total of **\$30,000** for homeless pets in Albuquerque.

Long Leash On Life, a long-time supporter of local animal rescue, was founded in 2006 by Norm Shrout and Ken Wormser. As originators of the now-ginormous good-will event **Long Leash On Life To the Rescue!**, Ken and Norm are creating awareness of the commitment and tireless efforts of local pet rescue organizations who rescue, rehabilitate, and re-home displaced pets in the Albuquerque area. These groups depend entirely on private donations to care for homeless pets. **Long Leash On Life To the Rescue!** is a culmination of the combined efforts of 12 such dedicated groups and validates them as the unsung heroes of pet rescue.

Pet overpopulation, a preventable nationwide problem, results in large numbers of homeless dogs/cats that, if lucky, are found by these types of kind-hearted rescue groups. In turn, these honorable groups have earned the respect of the Albuquerque neighborhood, as well as the Long Leash On Life family. "Working together with local pet organizations on **Long Leash On Life To the Rescue!** is something of which we should all be proud," exclaims Norm. Ken quickly adds, "The well-being of homeless cats/dogs has become a huge part of our mission, we are happy to help where we can; **Long Leash On Life To the Rescue!** is one such way."

Organizations benefitting from **The 4th Annual Long Leash On Life To the Rescue! 2014:**
